

MEMORANDUM OF UNDERSTANDING

Preamble

Western Oregon University (WOU) offers qualified students from Chemeketa Community College who meet the Transfer Guarantee Admissions requirements a seamless and supported transfer pathway by improving the way for transfer students to transition to WOU through a variety of programs.

Over the past two years, WOU has created a new General Education program that maximizes the use of credits earned at other colleges and universities. WOU has also created new academic programs, such as the Bachelor of Applied Sciences (BAS) in Liberal Studies and the Bachelor of Arts (BA) in Sustainability to meet the demand of an ever-evolving student populations.

With a 14:1 student-faculty ratio, students receive a personalized approach to their education. The small classes (average class size of 25) at WOU are taught by the faculty, not teaching assistants or graduate assistants. Small classes, availability of faculty, and new buildings create the ideal learning and student-focused university builds upon the strong academic preparation that students receive at Chemeketa Community College.
